A NEW BENCHMARK FOR FULL SIZE SUVS

The new Rexton reaches new heights of style and sophistication. Boasting the very latest technological advances and forward thinking, the new Rexton is now safer, stronger, more spacious, and more stylish than ever.
The new Rexton is a bold step forward by SsangYong. Immediately impressive with its sheer presence and dynamic lines, it’s a rugged, real and authentic 4x4 that lives and breathes ‘now’. Yet so gracefully styled that its workhorse capability is a surprise to all but the driver. The exterior styling flows from SsangYong’s concept of ‘Dignified Motion’. All of this is backed by four generations of Rexton and over 60 years of specialising in four-wheel drives. The new Rexton achieves a perfect balance between form and function, with a big splash of luxury.
DYNAMIC YET ELEGANT

The new Rexton is attractive from any angle. The rear spoiler with high-mounted auxiliary stop light highlights the Rexton’s sporting capabilities, while distinctive rear design treatment with unique lamp styling creates a more imposing image. Subtle chrome accents, clean-sill door treatment and soft LED lighting provide the perfect finishing touches.
STRIKINGLY BEAUTIFUL YET SUMPTUOUSLY COMFORTABLE

Brown seats
Designed to be easy on the eye and on the mind. The whole approach to the cabin is to simply make everything around the driver feel wonderfully instinctive and refreshingly enjoyable. Generous shoulder and headroom. Quilted black or Ivory nappa leather trim. Multi-adjustable seating. Automated air-conditioning. Ambient night lighting. Attention to detail is there for all to see and comfort for all to feel.

The interior package is available in four colour schemes:
- Brown
- Black
- Black with beige headlining
- Ivory
TECHNICALLY BRILLIANT

3D Around-View Monitoring System
This system makes parking easier and safer giving the driver confidence even in the tightest of spaces. The centre display provides an aerial view of the vehicle and any obstacles in the immediate surroundings.

Multimedia
Every Rexton model features an intuitive multimedia system designed to integrate with the latest smart phone features. It comes with AM/FM radio with RDS, Apple CarPlay® and Android Auto to connect your smartphone, MP3, M4A, APE, OGG, WMA, FLAC and WAV file format play, USB port.

Supervision Cluster
An ingenious array of essential information and safety features displayed on a large 7-inch LCD screen. It provides quick, easy access to a whole range of important information. Including a whole range of safety warnings such as lane departure warnings, parking sensors, navigation assist, tyre direction warnings and smart power tailgate warnings.

3D AROUND-VIEW MONITORING SYSTEM

SUPER-VISION CLUSTER

TRIPLE-MODE DIGITAL SPEEDOMETER

TRIP COMPUTER

7” colour TFT-LCD display

Front view camera
Side view camera
Rear view camera

Speed-sensing power steering & heated steering wheel cover
Electronic parking brake with auto-hold function

Regular mode
Animation mode
RPM-linked mode

Turn signal sound selection
Lane departure warning system
Smart power tailgate
Anyone with an Apple or Android phone can now easily connect to the multimedia system to make calls, check messages and listen to music and navigate via the car's display screen.
SPACIOUS AND FLEXIBLE

A place you’ll love to spend a lot of time in.

The cabin is spacious and luxurious with plenty of shoulder and headroom. Legroom in the second row is especially generous. Second-row seats may be double-folded to maximise the load space. In fact, the new Rexton’s size gives it one of the largest load spaces in its sector. It can easily accommodate rear-seat passengers and four golf bags in the boot. With the smart key in your pocket or bag, the tailgate will simply pop open automatically if you stand near the back of the car for a few seconds.*
Smart folding seats offer the flexibility to carry any load whatever the size or shape.

The second-row seat may also be double-folded to allow easy access to the third row.

**SEATING CONFIGURATIONS FOR 7-SEATER**

- 3rd row flat, 2nd row 40% flat (1,201L)
- 3rd row flat, 2nd row 60% flat (1,477L)
- 3rd row folded 50%, 2nd row folded flat 40% (777L)
- 3rd row folded 50%, 2nd row folded flat 60% (1,029L)
- 3rd row flat, 2nd row 100% flat (1,806L)
At SsangYong, we believe that you should not adapt to your car, your car should adapt to you.

The new Rexton is incredibly flexible. Available exclusively with 7 seats, it comes with a huge capacity for luggage. Measured up to window level, the Rexton offers 1,806 litres of rear boot space with the seats down.

Along with the second-row seats folding 60:40, the third row can be folded individually 50:50 to give more flexibility. Access to these rear seats is made easy by the double-folding second-row seats.
SMARTER MEANS SAFER

The Rexton employs the latest state-of-the-art active safety systems that not only detect, but actively avoids possible hazards.
Autonomous Emergency Braking (AEB)
Helps avoid or mitigate collision effects by detecting moving or stalled vehicles and warning the driver in advance.

Lane Change Assist (LCA)
Detects vehicles rapidly approaching from behind and flashes a warning light on the outside mirror, to alert the driver.

Forward Collision Warning (FCW)
Alerts the driver when another vehicle or pedestrian appears in the path of the vehicle.

Rear Cross-Traffic Alert (RCTA)
Assists the driver when reversing by detecting the presence of vehicles approaching on either side in the rear.

Lane Departure Warning (LDW)
 Warns the driver whenever the vehicle begins to move out of its lane unless the directional indicators are on in that direction.

Blind Spot Detection (BSD)
Senses vehicles coming up in the blind spot behind or alongside and warns the driver with a flashing light on the outside mirror.

High Beam Assist (HBA)
Automatically lowers the high beams when an approaching vehicle is detected, making night-driving easier.
60 YEARS’ OFFROAD EXPERIENCE

We’re fluent in 4x4

At SsangYong, we don’t just understand 4x4, we’re fluent in it. The new Rexton 4x4 system draws on all that experience of continuously advancing 4x4 technology. Its selectable 4-wheel drive system is reassuringly capable, whatever the need, whatever the weather. When the going gets really tough, you simply select ‘low-range’ which splits the torque equally between front and rear axles providing all-round traction, ensuring optimum grip across even the most challenging terrain.

Diesel or petrol it’s your choice

The new 2.2-litre Euro 6 engine delivers 133kW of power at 4000rpm and maximum torque of 420Nm from just 1600rpm. Designed to provide low-end torque for effortless cruising whatever the conditions, whatever the load. For those customers wanting a petrol engine, the entry level EX model is available with a 2.0-litre turbocharged petrol engine delivering 165kW of power and 350Nm of torque.

Max. Power
133kw/4,000rpm

Max. Torque
420Nm/1,600~2,600rpm

Displacement
2,157cc

Diesel Engine Model
e-XDi220

PART-TIME 4WD

For greater efficiency and fuel-economy, the car features a part-time 4x4 option with power delivered just to the rear wheels for normal road use. 4-wheel drive can be selected electronically when required and low-ratio selected when the off-road conditions become more challenging.

Max. Power
165kw/5,500rpm

Max. Torque
350Nm/1,500~4,500rpm

Displacement
1,998cc

Petrol Engine Model
e-XGDi200T

E-Tronic 7-speed automatic transmission (diesel engine)

INDEPENDENT MULTILINK SUSPENSION IN THE REAR

Independent suspension allows each wheel to move up, down, left, and right on its own for secure handling when the road surface gets rough. Shock from the road surface is dissipated through multiple links; little vibration is transferred to the body, and the ride quality is superb.

*Diesel engine only
The new Rexton will make light work of hauling a large caravan, horsebox, boat or work trailer. It has a strong ladder chassis that provides a substantial towing platform and a mighty towing capability of up to 3.5 tonnes.
In fact, 81.7% of the steel plate in the car’s body uses high-strength, high-density, high-tensile steel. This provides superb rigidity and protection in a collision to maximise the safe space within the cabin.
**THE STRONG SILENT TYPE**

The Rexton’s body is mounted on the new-concept ‘Quad Frame,’ which minimises most of the noise from the road surface and engine noise to the interior. The ‘Quad Frame’ has also been engineered specifically to minimise the injury to occupants in a collision. The body has been reinforced as well with stronger materials and expanded section sizes. In addition, the Rexton now has eight body mounts, the most in its class, improving ride quality and steering stability.

**CRASH ZONE BOX**

The ‘crash zone’ refers to that part of frame that conveys the most shock from a frontal collision. This ‘box’ is designed to absorb that force, thereby protecting the people inside.

**QUAD FRAME**

The frame members feature a quadruple-layered structure that exceeds the global standard for lateral collision safety.
MORE PROTECTION THAN EVER
Improving the safety of all occupants

The new Rexton is one of the strongest cars in its class. It’s built on a high-strength body-on-frame construction and features a comprehensive suite of the latest electronic safety aids. For further reassurance, it’s also available with up to 9 airbags*. The steering wheel and steering column are specially designed to absorb the force of a collision, minimising the effect on the driver’s chest area.

The Rexton features the latest in driving aids like Hill Start Assist (HSA), which stops the vehicle rolling backwards during a steep hill start and Hill Descent Control (HDC), which is a low-speed control that activates when the car is handling a steep downhill drive, automatically controlling the rate of descent. Driving a Rexton on or off the road is now easier and safer - even when conditions are challenging.

9 AIRBAGS

1. Driver’s airbag
2. Driver’s knee protection airbag
3. Passenger’s airbag
4, 5. Driver’s & passenger’s side airbags
6, 7. Rear seat side airbags
8, 9. Curtain airbags

Emergency Stop Signal (ESS) | Hill Descent Control (HDC) | Hill Start Assist (HSA)
The Rexton is an impressive SUV in every way. Boasting commanding looks, luxuriously appointed interior, cavernous carrying capability, the latest entertainment and information technology, state-of-the-art safety systems and driver aids plus powerful powertrain options, the list just keeps going.

The Rexton stands out from the pack as the new benchmark for large SUVs.
**REXTON EXTERIOR STYLE**

Remote-controlled windows with smart key

Automatic closing system

2-channel touch sensing door handle, Outside door handle lamps

Headlamp escort function

Welcome system

Safety powered window

Fashionable roof rails

Safety-powered sunroof

Parking assist system

Tyre pressure monitoring system
**INTERIOR FEATURES AND APPOINTMENTS**

- Cluster with 3.5” trip computer
- Remote control switches and cruise control system on the steering wheel
- Tilt and telescopic steering wheel system
- 8” smart audio
- Headlamp control and automatic washer switches
- Memory profile system for driver
- Dual-zone fully automatic air-conditioner; 3rd row air conditioner
- Easy access mode
- Heated front and rear seats
- Ventilated and powered front seats
- Passenger’s seat walk-in device
- Driver’s seat power lumbar support

**EXTERIOR STYLE | CONVENIENCE**
FEATURES AND CONVENIENCES

- Inside door handle lamps / ambient lighting on the door
- Glove box and centre console box
- Luggage cover and luggage net (5 seater only)
- Overhead console
- Integrated switch module
- Cargo bay net
- Cargo bay pocket
- Rear arm rest
- Map pocket
- Front camera module with rain-sensing and automatic light control unit
- 1st row doors
- 2nd row doors
- USB port and power outlet on centre console, USB port and 220V/115V inverter in 2nd row
- Smart key
**Wheel and Colour Guide**

**Wheels**
- 20” Alloy Wheel
- 18” Alloy Wheel, Diamond Cut

**Exterior Colour**
- Grand White (WAA)
- Silky White Pearl (WAK)
- Fine Silver (SAF)
- Elemental Grey (ACY)
- Atlantic Blue (BAU)
- Sabbia Beige (EBE)
- Space Black (LAK)

**Interior Colour**
- Black
- Brown
- Black with beige headlining
- Ivory

- Nappa leather
- TPU (thermoplastic polyurethane)
- Flat woven
# FEATURES LIST

## MECHANICAL
- e-XDi 220 2.2L diesel engine with LNT & CDPF (Euro 6)
- ee-XDi 200T 2.0L petrol engine (Euro 6)
- 6-speed manual transmission with gear shift indicator
- 7-speed automatic transmission with thumbs-up switch on gearshift knob (Available with diesel engine)
- 6-speed automatic transmission with thumbs-up switch on gearshift knob (Available with petrol engine)
- Part-time 4WD with shifting on the fly
- Double wishbone front suspension system with coil springs
- Five-link rear suspension system with coil springs
- Impact-absorbing 10-link rear suspension (available with automatic transmission)
- Ventilated disc brakes for front and rear
- Electronic parking brake with auto-hold function
- 70L fuel tank

## EXTERIOR
- Chrome coated on radiator grille
- Modulated projection headlamps
- 25W high-intensity discharge (HID) headlamps
- High-glossy skid plate under front & rear bumpers
- Outside rearview mirrors with side repeater and puddle lamp
- Integrated LED front fog & cornering lamps
- LED rear combination lamp with light guide
- Air spoiler with LED high-mounted stop lamp
- LED license plate lights
- Aero-blade wipers
- Body color outside door handles with hidden key button
- Clean-sill door
- Invisible muffler
- Fashionable black and silver roof rails
- Safety powered sunroof
- Rear fog lamps
- Daytime running lamps
- High beam assist (HBA)
- Blind spot detection (BSD)
- Rear cross traffic Alert (RCTA)
- Lane change assist (LCA)
- High-strength-steel construction
- Ultra-rigid Quad Frame for greater strength, less vibration and noise
- Door impact beams for added protection from side collisions
- 4-channel anti-lock braking system
- Electronic stability programme (ESP) with traction control system (TCS), hill descent control (HDC), active roll-over protection (ARP) and emergency stop signal (ESS)
- Dual airbags for driver and front passenger
- Side airbags for front and rear passengers
- Curtain airbags for front and rear passengers
- Driver’s airbag
- Front seatbelt load limiters and pre-tensioners
- 2nd row 3-point seatbelt
- Airbag on/off switch for front passenger
- Seatbelt reminder for the driver and front passenger
- Child seat anchorage
- Manual seatbelt height adjustment on B-pillar
- Childproof safety lock
- Speed-sensitive door lock
- Tyre pressure monitoring system (TPMS)

## INTERIOR
- Survivors with illumination and sliding extension
- Glove box with lamp and key lock
- Mobile ashtray
- A-pillar cloth trim
- B-pillar assist grip
- Stainless steel scuff on front & rear doors
- Illuminated front-door scuff
- Leather-wrapped gear knob for manual transmission
- LED lamps in cabin
- Chrome inside door handle
- Ambient lights on the instrument panel and door handle
- Floor mats

## SEATS
- 8 way power-adjustable driver’s seat
- 6 way power-adjustable front passenger’s seat
- Driver’s seat power lumbar support
- Passenger’s seat walk-in device
- 60/40 split folding 2nd-row seats with folding centre armrest
- 50/50 split folding 3rd-row seats
- Seat memory settings for three drivers, including seat & outside door mirror positions, stored in onboard memory
- Automatic easy access mode for driver’s seat
- Heated seats for front and rear
- Sliding front headrests
- Premium Nappa black leather seat upholstery
- Premium Nappa brown leather seat upholstery
- TPU (thermoplastic polyurethane) seat upholstery
- Flat woven seat upholstery
- Double-folding seats in 2nd-row
- 18” alloy wheels 255/50 tyres (diamond cut)
- 20” alloy wheels 255/50 tyres (chrome finish)

## SAFETY
- Autonomous emergency braking (AEB)
- Forward collision warning (FCW)
- Lane departure warning (LDW)
- Safety powered windows
- One-touch triple-tum signal lamp
- Supervision cluster with 7” colour TFT-LCD trip computer
- Supervision cluster with 3.5” Mono TFT-LCD trip computer
- Luggage cover and load net & grocery hook in cargo bay (5 seater)
- Variable luggage shelf
- Cargo barrier net
- Cargo bay net
- Standard 8” smart audio with rear-view camera
- 3-dimensional around view monitoring system (AVM)
- Six speakers
- USB and AUX slot
- Bluetooth telephone connectivity with streamed audio
- Audio remote control switches on steering wheel
- Car connectivity (Apple Carplay & Google Android Auto)
- Smart power tailgate
- Front obstacle warning system (4 sensors) with 2-stage alarm
- Rear obstacle warning system (4 sensors) with 3-stage alarm
- Dual smart-key system with window control and auto closing function
- 2-channel touch sensing door handle
- 12V power outlets & USB charger on console back
- 220V power inverter

## AIR CLIMATE
- Automatic air conditioning system (dual-zone control)
- Rear manual air conditioning system for 7 seater
- Automatic defogging system
- Cabin air quality control system
- Cluster ionizer
- Rear air vent on centre console
- Positive temperature coefficient (PTC) heater with diesel engine
- Cluster Ionizer
- Cabin air quality control system
- Automatic defogging system
- Air conditioner with rear vents

## WHEEL AND TYRE
- High beam assist (HBA)
- Blind spot detection (BSD)
- Rear cross traffic Alert (RCTA)
- Lane change assist (LCA)
- High-strength-steel construction
- Ultra-rigid Quad Frame for greater strength, less vibration and noise
- Door impact beams for added protection from side collisions
- 4-channel anti-lock braking system
- Electronic stability programme (ESP) with traction control system (TCS), hill descent control (HDC), active roll-over protection (ARP) and emergency stop signal (ESS)
- Dual airbags for driver and front passenger
- Side airbags for front and rear passengers
- Curtain airbags for front and rear passengers
- Driver’s airbag
- Front seatbelt load limiters and pre-tensioners
- 2nd row 3-point seatbelt
- Airbag on/off switch for front passenger
- Seatbelt reminder for the driver and front passenger
- Child seat anchorage
- Manual seatbelt height adjustment on B-pillar
- Childproof safety lock
- Speed-sensitive door lock
- Tyre pressure monitoring system (TPMS)

## CONVENIENCE
- Electronic cruise control
- Windshield wiper de-icer
- Electro-chromic inside rearview mirror
- Headlamp leveling device
- Intermittent rear wiper
- Automatic light control and rain-sensing wipers in front
- Outside door mirrors that can be electrically controlled, folded and heated
- Tinted, noise-control windshield glass
- Tinted front-door glass
- Privacy glass
- (Rear-door windows, Quarter windows, Tailgate window)
- Safety powered windows
- One-touch triple-tum signal lamp
- Supervision cluster with 7” colour TFT-LCD trip computer
- Supervision cluster with 3.5” Mono TFT-LCD trip computer
- Luggage cover and load net & grocery hook in cargo bay (5 seater)
- Variable luggage shelf
- Cargo barrier net
- Cargo bay net
- Standard 8” smart audio with rear-view camera
- 3-dimensional around view monitoring system (AVM)
- Six speakers
- USB and AUX slot
- Bluetooth telephone connectivity with streamed audio
- Audio remote control switches on steering wheel
- Car connectivity (Apple Carplay & Google Android Auto)
- Smart power tailgate
- Front obstacle warning system (4 sensors) with 2-stage alarm
- Rear obstacle warning system (4 sensors) with 3-stage alarm
- Dual smart-key system with window control and auto closing function
- 2-channel touch sensing door handle
- 12V power outlets & USB charger on console back
- 220V power inverter

*Some of features may be optional or not be available according to market. Please contact your local dealer for the exact details regarding vehicles sold in your area.*

This brochure details specifications and features of the 2018 SsangYong Rexton. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2018 SsangYong Rexton range. Please visit our website www.ssangyong.com.au for more information. This brochure is designed to provide you with a general introduction to the SsangYong range of products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances SsangYong reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised SsangYong Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
